

## YACHT CHARTER BOOKING CONDITIONS

We propose different sailboats and yachts. Each one has different qualities, pricing structures and menu selections. Our job is to present these options and help to book the vessel that is right for you.

### First steps:

- 1) Determine size & accommodation of yacht and departure/return ports.
- 2) Also determine exact dates of your cruise duration (Saturday to Saturday).
- 3) Will you need a skipper or you are competent and qualified to sail a yacht?

### Yacht charter booking & confirmation procedure:

Upon receipt of your final decision on yacht selection and dates, we will check our availability. Once we have agreed your yacht choice and final rental amount, we will put the yacht on hold for your dates. To ensure hold dates, an initial deposit required (35% -100% depending on early or late booking date) within the next 3-5 business days, in order your rental to be confirmed.

Balances must be *paid & received* in total 40 days prior embarkation date. An amount of euros  $\pm 500-1000$  for 'extras' can be settled on spot by cash only. *It is very easy to recover cash from your bank account, through ATM machines of Greek banks 24 / 24h.*

### Booking & Charter-Party Agreement:

A charter party needs to be signed between the contracting parties (official document in 5 copies). It is your responsibility to read it carefully. The charter-party has to be signed after the charter is booked, unless otherwise agreed. We will need: full name, postal address, nationality and Charterer's ID card copy.

For a 'bareboat' chartering, your skipper & co-skipper must hold a valid sailing license, or co-skipper will sign on spot a declaration proving knowledge to navigate a sailing yacht. The amount of yacht chartering is shown only on the charter party. Any extra charter cost if any (skipper, hostess, fuel, outboard, end cleaning, etc) will be reported as options only, otherwise they will incur additional tax.

*Note: For the departure of yacht only original documents are accepted from Greek Port Authorities, (ID card, passport, sailing license).*
