

## OCEANIS 523

### BENETEAU OCEANIS 523 Clipper

One of the best Beneteau range models ever made, the 'Oceanis 523' has drawn from all the years of experience from Beneteau and the famous design team 'Group Finot'.

A modern hull, efficient rig and comfortable accommodation make her a first class yacht.

The 523 will delight even the most demanding of owners with its innovative hull design and generous sail plan. The standard bow thruster makes maneuverability in the tightest quarters easy. The uncluttered and safety conscious deck-plan, with lots of handrails and high guard wires ensure safety, whilst moving on deck. The cockpit has a large folding table and the twin helm position allows for room for up to ten people.
